▼ There are three bridges into DC that cross the Anacostia River. There is a rail bridge that can be approached from the wooded area of River park on the East Bank of the river.

Edit: The Anacostia River walk trail and the rail bridge converge underneath the Penn Ave Bridge. There are pull offs that could accommodate large suv's/trucks and vans, then it is a straight shot up Penn Ave to the capitol. TMYK

▼ I keep telling people to use their heads. Bowser will attempt to shut all intersections.

here is her last Freak Out in DC. So walk in the park, but not drive. Get some intel before the big day, watch all movements a few days before.
